

PE in the Holy Spirit Primary School - Information for school website

The Sport Premium is a new funding package that has recently been announced by the government. They are providing schools with additional money over the next 3 years to support the delivery of P.E & School Sport. Our school has been allocated £8405. After consulting both the staff and the children we plan to spend the money in the following ways:

- Training staff in teaching outstanding and inclusive PE lessons.
- Updating staff on the new curriculum being launched in September 2014.
(Both of above will be enabled and supported by Gill McGough support/PE consultant)
- Providing a range of different sports activities including -
- Running after school clubs to encourage more children to take part in sport including -
Multi-skills club - Y1
- Provide more opportunities for children to take part in competitive sport including -
- Buying new PE resources.
- Provide leadership opportunities for our children
- Transport costs to and from events and to outdoor activities.

The website will be regularly updated with how the funding is being spent and the impact it is having on the children.
