Parent Voice

If you would like to be a part of an informal Parent Forum, please contact school for more information. We can allocate a room, once every half term to meet up and provide refreshments. This would be an opportunity for you to meet up to discuss ideas that would benefit the school from a parent's point of view. and a space were your views can be shared.

If you have any concerns and wish to speak to a member of staff, please do not hesitate to contact the office. School will endeavour to talk about any issues you may have.

Parent meet up! Are you interested?

Parents who have children with additional needs are invited to meet together and have a break! Come along to school and enjoy the company and support of other parents, where you can chat amongst yourselves, help each other out or just share your experiences.

Parent Volunteers

If you are interested in volunteering in school and have time to spare to read with our amazing children, please contact school for more information.
