In School this week:

- Who is this? Every morning at 8am we are greeted by this lovely four legged friend, our own Breakfast Time Buddy! But he has no name! What should we name him?
- Don't forget to look at our Twitter page or X, as it is now named, to see what your children are getting up to in their learning.
- We have had a great active week with KSE sports education. We also celebrated with Ant & Dec Wellbeing day “Britain Get Talking”, which will continue throughout the Autumn term.
- Next week is the start of Recycling Week, pupils will be reminded that they are stewards of our earth and to look after our environment, Eco Council will be leading activities in school.
- Our Reception children have enjoyed sitting with their Year 6 buddies at lunch. We are proud of our oldest pupils, who have taken on the responsibility so well.

Breakfast Club

Our Breakfast club is a lovely way for our children to start their day and they have a great time, they have a choice of cereal, toast even crumpets and drinks. The cost is only £1 per session, an absolute bargain compared to other schools because our staff run it *VOLUNATARY*. School do not make any profit, the money is used to buy food and games for our children. Can I politely remind parents to settle accounts before the end of half term, please? Many thanks, your co-operation is much appreciated.
