We have had a number of complaints from residents in our local area about parents parking and blocking the garages on Cotterill. Please be mindful that this is not a drop off point for children. If you need to park please use the church carpark and follow the path to school.

Littering

There has been a huge increase in litter recently, both on the school grounds and around school at home time, please encourage your children to take care and respect for our environment by making sure litter is disposed of properly or taken home.
