School this week, again lots to celebrate.

- Well done to all our children who have performed and completed their Key Stage assessments.
- This year children have been working with Matt from KSE who has delivered PE to our children. He wanted to congratulate them on their attitude and hard work. Matt will be returning in September.
- Pete Price, who teaches Guitar also finished for the summer. Pete will also be back in September.
- Please could all Year 6 children bring back their guitars, before the end of term.
- Children will have their annual reports today. Please would you be so kind and fill in the reply slip. We like to know what we have done well, there is always room for improvement and your voice is very important to us.

There is also a section for your child to comment so that staff hear the voice of your child. Our OFSTED draft report has been received we will share this with you once OFSTED have published it.

Don't forget this weekend to look after your mental health
