

**Phonics screening:**

Phonics screening in Year 1: 57.1% of the cohort achieved the standard (81% nationally)

Phonics screening retake in Y 2: 62.5 %achieved the standard (91% nationally)

**New Key stage assessments in 2017**

There have been many changes to the testing arrangements this year. Staff members have worked incredibly hard in order to keep parents and themselves well informed of all the changes.

**KS1 Teacher assessments: 15 children**

**KS2 Assessments in 2017:**

The 2017 Key stage 2 assessments are the second year which assesses the new, more challenging National curriculum which was introduced in 2014. New tests and interim frameworks for Teacher Assessments have been introduced to reflect the revised curriculum. Results are no longer reported as levels, each pupil will now receive their test results as a scaled score and teacher assessments based on the standards in the interim framework.

61% of pupils in England reached the new expected standard in reading, writing and Mathematics in 2017 compared to 53% in 2016.

*“Because of the changes set out above, figures for 2017 are only comparable to 2016. The expectations for pupils at the end of KS2 have been raised. Given the differences in the curriculum and assessments, levels are not comparable with scaled scores or teacher assessment outcomes before 2016.”*
